

Derma MD is a results oriented clinical skin care line that combines the cosmetic and pharmaceutical sciences in its professional and home care products. This technologically advanced product line focuses on correcting and controlling skin care conditions at both the aesthetic and medical levels. Sold only in medical offices or licensed salons. No minimum order required.

CLEANSERS and TONERS

ANTIOXIDANT CLEANSER with Alpha Lipoic Acid, Japanese green tea extract and peppermint oil. Designed to deeply cleanse, hydrate, stimulate and tighten all skin types. Great for mature or sensitive skin.

ENZYMATIC CLEANSER with papaya and pineapple enzymes with vitamin E. Designed for all skin types, it gently exfoliates the skin without irritation. Excellent for use with microdermabrasion.

WASABI CLEANSER. Helps to control the “P” acne bacteria while gently cleansing the skin Great for acne.

KIWI GRAPEFRUIT TONER - contains NO alcohol - A true toner to neutralize skin pH for ALL skin types with witch hazel extract.

“ERASE” GENTLE EYE MAKE-UP REMOVER this ultra gentle formula is similar to tears and can be used for all skin types and contact lens users

MOISTURE ENHANCERS

SPF 41 ULTRA SHIELD OIL FREE PROTECTANT an oil-free reflective sunscreen with Z-cote®, micronized zinc blocks UVA and UVB rays. A non-greasy sunscreen for all skin types including sensitive.

COPPER CRÈME a rich crème with copper and CoQ10 acts as an anti-oxidant and assists in tissue repair while improving moisture retention, tightening, and firms through collagen synthesis stimulation. **Great for mature skin.**

HYLO² this weightless, super-charged anti-oxidant peptide serum is full of what skin needs to smooth, firm, tighten, assist in tissue repair, increase collagen I, II and IV and oxygen content, while attracting natural hydration. **Great for oily skin.**

SOY “HEALING” MOISTURIZER this unique soy product assists in healing, hydrating and soothing dry skin. Can be used immediately following aggressive procedures even for sensitive skin.

ASTAXANTHIN

CONCENTRATE TRI COMPLEX SERUM with caviar extract, Palmitoyl Pentapeptide, Retinol and copper peptide. Anti-inflammatory antioxidant that stimulates collagen synthesis, improves skin's elasticity Excellent for post treatment for non-ablative procedures.

MICROPEEL CRÈME combines astaxanthin and aluminum oxide crystals to exfoliate skin. Excellent for use post peel to aid in sloughing or during maintenance period.

EYE REPAIR GEL with Astaxanthin extract, Hesperiden, vitamins K & E and cucumber extract. Reduces the appearance of under eye darkness and puffiness. Fights free radicals.

TREATMENT PRODUCTS

PIGMENTATION 25 LIGHTENER with 8% Kojic Acid, 6% L-Arbutin (melanocyte inhibitor), and peptide complexes to lighten and brighten the skin or treat dark spots and hyper pigmentation.

ANTI ACNE PADS with glycolic and salicylic acids. Excellent for controlling acne or as a resurfacing treatment.

ANTI ACNE TREATMENT GEL with encapsulated salicylic acid. Excellent for controlling acne without stripping the skin. Gentle enough to use twice a day.

LYNE-TOX+ topical product used daily to smooth texture of skin without losing expression like similar injectable treatments.

RETINOL COMPLEX esthetic friendly formula works to increase cellular turnover improving the look and texture of the skin. A great alternative to prescriptives.

E'LIMINATE EYE CREAM designed to reduce the appearance of under-eye circles, puffiness, fine lines and wrinkles. A silky smooth cream packed full of peptides and antioxidants.

LIP SEDUCTION designed to increase volume of lips and hydrate as it reduces appearance of furrows and fine lines. Lips will feel soft, supple and sexy! **Also available in colors**

RETAIL MASKS

TROPICAL BERRY SMOOTHIE MASK with pomegranate bark extract and squalene. Designed for dry, ruddy and combination skin types to hydrate and firm.

PROFESSIONAL MASKS

INTENSE HYDRATING MASK with panthenol and sea whip. Designed for use after peels, laser, and microdermabrasion to soothe and hydrate. **All Skin Types**

SEAWEED HONEY MASK will provide suppleness, moisture, tightening and firming as it nourishes and feeds the skin with additional antioxidants and calming properties. **Great for Mature Skin**

PROFESSIONAL ENZYMES AND PEELS

RASPBERRY ENZYME with fruit acid blend, raspberry and red clover extracts. Designed to exfoliate, soothe, hydrate and detoxify the skin.

PAPAYA and PUMPKIN MASQUE with papain & pumpkin seed, kaolin clay, Japanese green tea and avocado oil. Can be used pre-peel as an enzyme or alone as a mask. Excellent for oily or acneic skin.

TRI-BLEND GEL PEEL a 25% blend of Glycolic, Salicylic and Lactic acids in a gel base. A great peel for most clients to improve cellular turnover and reduce the signs of aging or large pores.

GENTLE ACID GEL PEEL a 35% blend of Salicylic and Lactic acids in a gel base. Excellent for treating acne or skin impurities and improves moisture content in mature skin.

LIGHTENING FADE GEL PEEL a 35% blend of Glycolic and Lactic acids, as well as Retinol in a gel base. Excellent for treating hyperpigmentation while stimulating cell growth, refining texture and reducing the appearance of fine lines and wrinkles.

40% ALPHA BETA BLEND PEEL a 40% blend of Glycolic, Salicylic and Lactic acids in a viscous liquid formulation. Designed to refine fine lines, dislodge comedones and build new collagen through dermal stimulation. A great peel for those who want the best.
